APPENDIX A: DOCUMENTATION TERMS AND CONDITIONS

Documentation: This document contains information that is confidential and proprietary to eClinicalWorks, LLC and is intended for use solely by its authorized licensees ("Authorized Entities"). In accordance with these conditions and contractual agreements by the user, this document may not be copied, displayed, distributed, published, or otherwise reproduced, otherwise used, transmitted, or in any form or otherwise made available or used by anyone other than the authorized client to whom this document was originally delivered without the prior written consent of eClinicalWorks, LLC. Pursuant to its agreement, Authorized Entities may receive copies of or access to certain written technical support or explanatory documents regarding eClinicalWorks' software; eClinicalWorks' services; and/or eClinicalWorks' internal policies and procedures (collectively, "Documentation").

The examples, images, and scenarios presented in this documentation are solely for explanatory use of the software and its functionality and should not be construed as directives for clinical or medical decisions; the user is ultimately and completely responsible for clinical and/or medical decisions made regarding patient care.

eClinicalWorks documentation may contain hyperlinks to external sites and/or third-party vendors for functional, informational, or instructional purposes. Use of these external links is at the user's and licensee's risk.

eClinicalWorks assumes no responsibility for errors or omissions that may appear in this publication and reserves the right to change this publication at any time without notice. *All users are instructed to consult the latest version of the Documentation at my.eclinicalworks.com for the latest updates to the Documentation at all times.*

Once obtained, the distribution or posting this proprietary document on the Internet for public and/or private use is strictly prohibited. This restriction includes Internet websites, forums, blogs, private or public portals, or any other electronic means of sharing beyond the intended, licensed user.

APPENDIX B: NOTICES

The following appendix lists the trademark information for this document.
